## **NASA Dryden/Edwards AFB/Rocket Site Tour**

**Tuesday  
April 15, 2003**

I have arranged a day long bus tour of Edwards AFB facilities. A tremendous amount of work takes place at Edwards AFB and it is always a fun field trip. Because of the vast area of the base, a bus tour makes it far more enjoyable for both the attendees and tour guides. A luxury coach with video and other amenities is planned from San Diego to Edwards and back to San Diego. A full 12 hour day: 6:00 am to 6:00 pm. A convenient central, secure SD site will be chosen for embarking. The cost of the trip per participant would be \$20.00: what a bargain! Meals/beverages will be available at additional cost.

Minimum attendance for this event is 40 people. Maximum is 50 (another bus can be acquired if needed). If you would like to attend this event, please email or call me no later than Friday, March 7<sup>th</sup>. Lack of participation will cancel this field trip.

Cheers,

Eric Heininger
